Dear John:-

You really did a tremendous job for us here at WORLDVIEW '80, as I knew you would. Your message had a hard-hitting impact, and we are getting much favorable feedback in telephone calls to our office this morning.

I trust that you had an uneventful safe return. Be sure to send us a list of all of your trip-related expenses...taxi fares, of course the main travel items, meals, tips, whatever--preferably with receipts. We will process a reimbursement check to you right away, after we get your expenses statement.

We are much in your debt. Let me know if I can ever return the favor in any way. Meanwhile, I will look forward to seeing you over the summer, if not earlier somewhere on the circuit.

Warmest personal regards,

Vincent Davis

P.S.

I have been asked to organize and chair a panel at the big annual International Studies Association convention in Philadelphia about a year from now, in March 1981. The grab-bag title will be something such as "The Future is NOW: Long-Range Crises on our Short-Range Agenda." Consider this an invitation to be on that panel with me, giving basically the same message that you delivered here. No formal paper will be required, but a paper or related handout would be welcome.
